

July End-Date Lease Request: Advising Consultation Form

If you are seeking to sign a Campus Housing lease that runs through July 31, you are required to first meet with a DTS Academic Advisor to discuss your situation to make sure a July-end date will meet your housing needs according to your academic, professional, or personal plans. To schedule a meeting with your Advisor: <https://students.dts.edu/advising/>

Once you have gotten this form signed by your advisor, you will upload a copy as a part of your online July end-date application in the Campus Housing section of <https://students.dts.edu>.

I _____ understand that an application for a lease end-date of July 31 does not guarantee my request will be granted. I understand that I must first apply to renew my lease for Campus Housing. If I am not granted a July end-date, I understand that I may elect not to sign a new lease with DTS Campus Housing. In this event, I agree that DTS is not responsible for finding or securing alternative housing for me off-campus.
