1. Basics of Biblical Greek (W. Mounce)
2. Introducing Biblical Hebrew (Allen P. Ross)
3. Basics of Biblical Hebrew (Pratico-Van Pelt)

The screenshot shows the Logos Bible Software web interface. At the top, the title is "Introductory Grammar Vocabulary Lists" with "General • 6 members • 1,990 followers" below it. On the left is a "COMMUNITY" sidebar with options: Activity, Content, Bible Study, Reading Plans, Logos Documents, and Discussions. The main content area has a search bar containing "Basics of Biblical". Below the search bar are two results: "Basics of Biblical Hebrew (Pratico-Van Pelt)" and "Basics of Biblical Greek (W. Mounce)". Each result has a document icon, the title, and "Word List" followed by the time it was created. To the right of each result is an "Actions" button. The "Actions" button for the Greek result is highlighted in green, and a yellow box highlights the "Copy" option in the dropdown menu. A tooltip below the "Copy" button says "Make a private copy of this document."

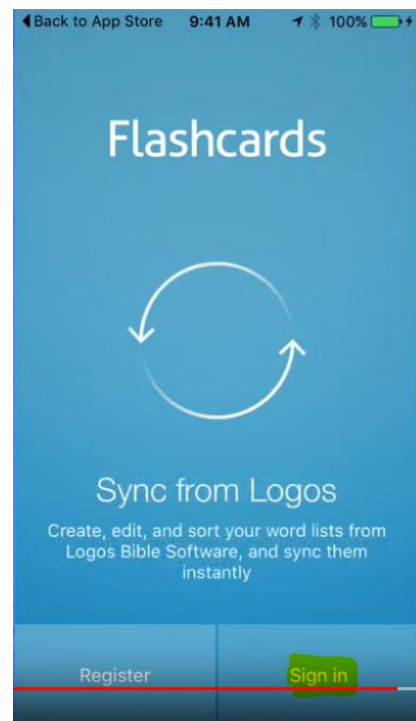

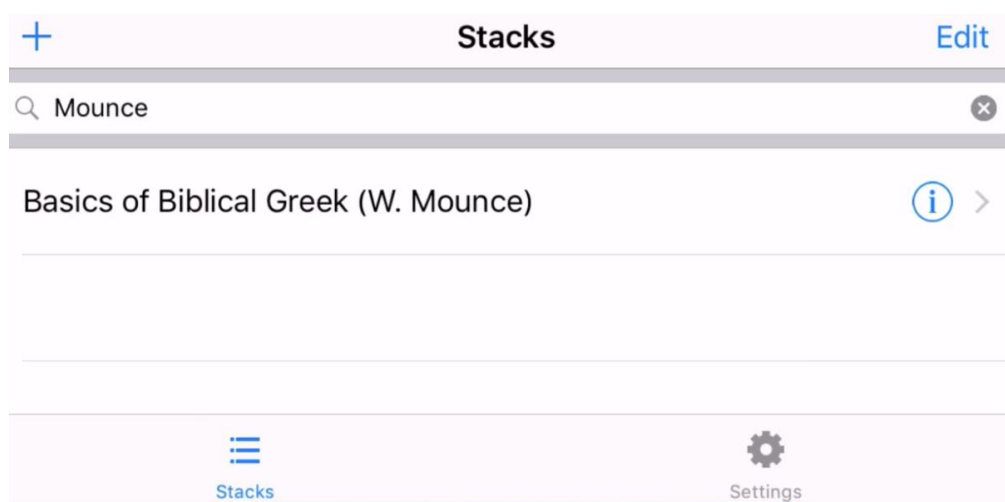

Step 7. On your mobile device, go to the App Store and search “Faithlife Flashcard”.

The screenshot shows an iPhone app store search for "faithlife flashcard". The search results show the "Logos the Word" app by Faithlife Corporation. The app icon is a blue circle with the Greek word "λόγος" and "the Word" below it. To the right of the icon is the text "Flashcards for Greek and Hebrew" and "Faithlife Corporation". An "OPEN" button is visible. Below the app information is a preview of the app's interface, showing a white card with the Greek word "θεός" in the center. The card has a blue border and a "Got It" button in the bottom right corner. The iPhone status bar at the top shows the time as 9:41 AM and 100% battery. The bottom dock shows icons for Featured, Top Charts, Explore, Search, and Updates.

Step 8. Once loaded on your mobile device, sign in using your Logos username/password.

Step 9. Confirm your flashcards have now synced with your mobile device.

Step 10. Select your desired flashcard stack and start learning!
