

## Course Requirements

The prescribed Master of Theology curriculum involves not only extensive preparation in Hebrew, Greek, Bible, and systematic and historical theology, but also preparation in pastoral ministries, Christian education, missions, and ministry leadership. ThM students enroll in Spiritual Formation groups during four consecutive fall and spring terms at the Dallas, Houston, DC, or Atlanta campuses.

Students are encouraged to take courses in the order in which they appear on the curriculum chart in this section. This is to the student's advantage, as courses are designed to build on previous coursework.

Out of the required 120 credit hours in the ThM curriculum, 96 credit hours are predetermined in the curriculum. With the remaining 24 credit hours beyond this core, students are given the flexibility to pursue areas of ministry emphasis and choose electives based on vocational intent and interests. The ThM requires that 48 credit hours be completed in real-time.

As part of the ThM core curriculum, all students take a 3-hour Internship course (INT5130). During the Internship course, students complete a portfolio. When students declare their desired concentration (no later than at the completion of 60 hours), they should start planning for their internship experience. Students in the Media Arts and Worship

concentration should consult that department to clarify their apprenticeship requirements. Please consult the Interdepartmental Courses section of this catalog for more information on Internship course requirements.

ThM students are responsible for demonstrating competence in research by satisfactorily completing either (1) a ThM thesis in an academic department of their choosing or (2) a 2-hour research seminar (RS5102).

To provide greater opportunity for learning, students may also take up to five courses for credit beyond the 120 hours required for the degree for a modest fee. Please contact the Registrar's office for more information on this special program.

## ThM Concentrations

Each student in the Master of Theology program must select a concentration by the halfway point of their program (60 hours) and prior to beginning their INT5130 ThM Ministry Formation Internship. In addition to the 96-hour core curriculum (which includes a 3-hour Internship course involving the production of a portfolio), students customize the remaining 24 elective hours with respect to their ministry goals and areas of interest. Regardless of their concentration, students must complete at least 9 of their 24 elective hours in the Division of Ministries and Communication.

Available ThM concentrations—including the course options and/or requirements for each—are listed in the section that follows. Faculty coordinators for each concentration are available to advise students regarding course selection, and the Advising Center is available to help with general questions.
